

Staying safe in London

London is a safe place but like any big city, you need to be careful. Here are a few tips to help you stay safe:

Crossing the road.

- Make sure you cross at designated crossings.
- Remember - we drive on the **left** in the UK.

Keeping your belongings safe

- Do not leave bags, phones, money unattended
- Keep an eye on your belongings in public.

- Do not carry a lot of money with you - use a credit card or pre-paid debit card

Going out at night

- Try to walk with friends, and not alone.
- If you use a taxi, make sure it has a licence (on the back of the car)

Using the tube

- Be careful when you get on and off the train - mind the gap.
