

IELTS Test Dates - 2018

If you are interested in taking an IELTS Test in London, please enquire at Reception. Although there is no official deadline for applications, the IELTS Test is extremely popular, and the test dates become full quite early. Therefore, you should book as early as possible.

There are 2 different modules of the IELTS Tests:

- **Academic Module**
Suitable for test takers who want to study at undergraduate or postgraduate levels, and for those seeking professional registration in the UK.
- **General Training Module**
Suitable for test takers who want to train or study below degree level.

Please check with the institution or agency you are applying to before booking the test to ensure you book the correct module.

If you are taking the test to apply for a UK Visa, you may need to take the **IELTS for UKVI** test at a specific location. Please check with your visa sponsor (such as an employer or university) to find out if you need to take this test.

There are also two tests for **IELTS Life Skills** tests (available at A1 level and B1 level), which are suitable for applications for the Spouse and Partner Visa or for Settlement Visas/Citizenship applications - Please ask at Reception for further information.

Please note: Dates may be added or changed, and prices are subject to change - please ask at Reception for further information.
