Your first day

Your first day

You will start your first day with an induction, where we will tell you more about the school and the area.

Following this, we will give you a test to find out your level of English to ensure that you will be in the right class for you. The test involves a multiple choice grammar and vocabulary test, a writing test and an interview with a member of the Academic Department.

After your test, you will then register at reception, where you will need your passport, and visa (if applicable) and contact details and will have your photo taken for your school ID card.

Students do not normally attend the main session on their first day, but can join the workshops.

Your classes

All our classes follow syllabuses based on the Common European Framework of Reference (CEFR).

We run classes at the following levels:

CEFR	Pre-A1	A1	A2	B1	B2	C1	C2
General English Workshops: Listening & Speaking, Reading & Writing, Grammar & Vocabulary							
				Cambridge Exam Preparation Specialist Courses (1-1 or closed groups)			
					IELTS Preparation (1-1 or closed groups)		

We want you to express yourself successfully and confidently in English. To help you with this, our teachers use a 'communicative' teaching style, which means that the focus of the classes is on you. To get the most from the classes, try to join in with all the activities, do the homework and do not miss too many lessons.

Materials

Our General English and IELTS classes use a set coursebook. If you are here for more than 2 weeks, you must buy the coursebook (they are available from the Reception). You will need to bring your coursebook to class every day - and remember to bring pens and paper as well!

Your teachers will also supplement the coursebook with extra resources including videos, games, worksheets and other authentic materials. This helps make the lessons more varied and engaging.

Daily and Weekly Plans

General English Main Sessions have a Daily Plan and IELTS classes have a Weekly Plan. These can be found on the classroom noticeboards and they inform you what you will be studying each day or week. They also tell you when each test will be and if there are any bank holidays.

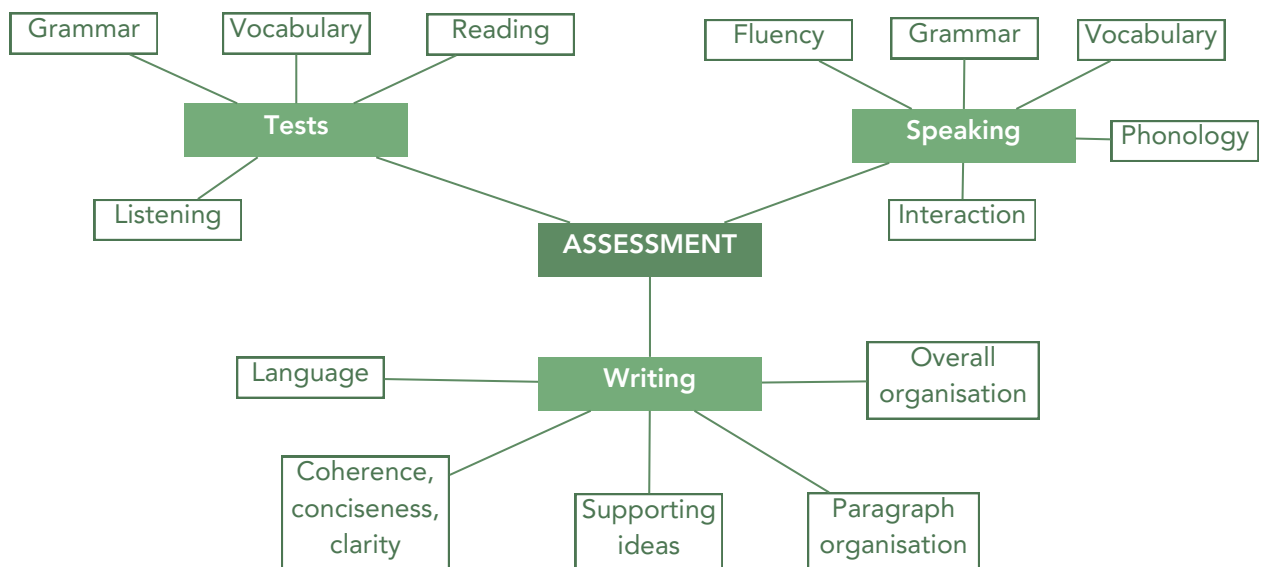

You and your teacher will decide what you will be studying each day in the workshops, so you will complete a Weekly Plan together. This will give you the chance to have a say in what will be covered, making the lessons more personalised and relevant to your needs and interests.

Monitoring your progress

Your teachers are always checking your progress. They do this by:

- Monitoring your performance in class
 - The teachers check your work and listen to you speaking to make sure you are learning, and they will correct you and help you when you need it.
- Homework
 - The teachers give you homework at least 3 times a week, which is checked in class. This includes some writing, which they will correct and give you feedback on.
- Progress Tests
 - You will have a progress test every three or four Fridays to check that you can use the language you have studied in class.
- Report Cards (General English classes)
 - After every progress test, you will receive a report card containing a speaking score, a writing score and your test score. This helps you to have a better idea of your own progress.
- Tutorials
 - Depending on your report card scores, you will have a one-to-one tutorial with your teacher to discuss your progress and to set goals to help you improve.

Your teachers will use the criteria below in order to assess you. This means that your speaking, writing and test scores are equally important. So having a high test score but a low speaking score, for example, means that you have not yet made enough progress at that level.

Moving up a level

It is possible for students to move up a level in three situations:

1. At the beginning of every new term if they have an overall score of 70% in the previous level.
2. After a progress test if all the scores (speaking, writing and test) are 80% or over.
3. Under special circumstances, if the student requests to take another placement test and the results show they are at a higher level than their current class.

If you would like to move up a level before the beginning of a new term, please speak to the Director of Studies. She will then speak to your teachers and they will make a joint decision about your request. Your teacher alone cannot decide whether or not you should move up.

At the end of your course, you will receive a certificate of attendance saying the level of English you have studied at.

Attendance

Students aged 18 or over

If you are more than 10 minutes late, you cannot go into class. If you are late for the first half of a main session, you will have to wait until after the break to join it. If you are late for a workshop or the second half of a main session, you will not be able to enter that day and you will be marked absent.

Students aged 16 or 17

If you are more than 10 minutes late, your teacher will inform the Director of Studies, who will then make arrangements to contact you, your guardian or your emergency contact. If they cannot make any contact, the police will be called. If you arrive at the school more than 10 minutes late, your teacher will allow you in. In order to avoid unnecessary phone calls, please inform the school if you are going to be late or absent.

All students

Try not to miss too many lessons. Only students with 70% + attendance can receive the end-of-course certificate.

Academic Support

You can speak to the Director or Assistant Director of Studies about:

- changing your class: if you feel your class is too easy or too difficult
- English language examinations: if you want to take an exam in English (for example, IELTS or Cambridge exams)
- going to college or university: if you are thinking about going to college or university in the UK, and you want some help or advice
- learning resources: if you need help using the school's learning resources, or want advice for libraries or buying materials
- academic reports: if you need an academic report for your employer or school
- special educational needs: if you have any special educational needs (like dyslexia). Don't worry, the conversation will be private, and we will only tell people who need to know (such as your teachers).
- anything else: if you have any other questions, or if you need any other academic support

Read carefully the Burlington School Attendance Code of Conduct below. It contains very important information about the measures we have to take if you are often absent.

Burlington School Attendance Code of Conduct

At Burlington School, we want our students to learn English in the best way. If students are absent from class, this is disruptive to their learning, and makes it harder for the teachers and other students. Therefore, we ask all our students to follow this code of conduct.

Stage

1

- If I miss 5 consecutive days of any class without informing the school, I will be emailed or telephoned by the Director of Studies or Assistant Director of Studies. This is my **first warning**.
- If my attendance falls below 70% for two consecutive weeks, I will be emailed by the (Assistant) Director of Studies. This is my **first warning**.

Stage

2

- If I miss another 5 consecutive days of any class (10 consecutive days in total) without informing the school, I will be sent a second email or telephone call by the (Assistant) Director of Studies. This is my **final warning**.
- If my attendance is below 70% for another week (3 consecutive weeks in total), I will be sent another email or telephone call by the (Assistant) Director of Studies.
- If I don't attend next week, my name will be taken off the class register.
- This is my **final warning**.

Stage

3

- I will only be allowed back into class after a meeting with the Director of Studies and Managing Director.
- Continued poor attendance will result in my permanent exclusion from the school.
- I am not entitled to a refund for any classes I miss as a result of my exclusion.

Please note. There are additional rules for students aged under 18.

If you are going to be late, let us know. Please call the school on 020 7736 9621 or +44 (0) 7539156567. If you need to be absent for a longer period, please speak to an Academic or Office staff member.

SAFEGUARDING

We want you to be happy in London and enjoy your time at the school. However, we know that sometimes it can be difficult to be in a new place away from your family and friends. This is why we take your welfare very seriously at the school.

The School Safeguarding Team

Burlington School has a dedicated Safeguarding Team who can try to help you with any problems you have. You can talk to our Designated Safeguarding Lead in private, or to one of our other trained safeguarding staff.

Here are a few tips to help you enjoy your time at Burlington:

- Don't just study - you are in one of the most diverse and exciting cities in the world - go out and enjoy it.
- Make friends with other people. Everybody in the school is like you, and everybody needs friends.
- Keep in touch with your family and friends back home.
- Don't be afraid to ask for help if you need it - ask us at the school, or ask your friends.

Safeguarding for students under the age of 18

Under UK law, anybody who is under the age of 18 is a child. For students under 18, there are a few extra rules and procedures to make sure you are safe:

- If you are using the school onsite residence, you must sign the sign in/out list by 22:00 every day. If you are not using our accommodation, you must sign the list every day when you leave the school. The sign in/out list can be found at Reception.
- You cannot join social activities unless your parent or guardian has given you permission by sending us the consent form - ask at Reception if you are not sure about this.
- Do not befriend any members of staff on social media, or share your contact details with them.
- Tell a Designated Safeguarding Lead immediately if a staff member tries to befriend you on social media, or asks to meet you outside school.
- You cannot buy alcohol.
- You cannot buy tobacco or cigarettes.
- You cannot rent a house, apartment, or book a hotel room.

16-17 year old weekly meetings

You and other under 18s will meet with our Designated Safeguarding Lead once a week to make sure that you are happy and there are no problems. This meeting normally happens every Thursday at 11.15 and last no longer than 15 minutes. We will let you know if there are any changes. You must attend these meetings.

We will tell your parent or guardian if we have any concerns about your behaviour or welfare.

Remember: if you are worried about anything, talk to us!

LIVING IN LONDON AND THE UK

Travelling in London

In London, the main ways of travelling are:

- The London Underground (The Tube) <https://tfl.gov.uk/modes/tube/>
- The London Overground: <https://tfl.gov.uk/modes/london-overground/>
- Docklands Light Railway (DLR): <https://tfl.gov.uk/modes/dlr/>
- Buses: <https://tfl.gov.uk/modes/buses/>
- Trams: <https://tfl.gov.uk/modes/trams/>
- Local train services: <https://www.nationalrail.co.uk/>

Other ways of travelling in London include:

- Taxis: These can be quite expensive, so only use them if you need to.
 - <https://tfl.gov.uk/modes/taxis-and-minicabs/>
- Cycling: A good way to keep fit while saving money.
 - <https://tfl.gov.uk/modes/cycling/>
- Riverboats: See a different side of London while you travel.
 - <https://tfl.gov.uk/modes/river/>
- Walking: In Central London, it is often quicker to walk than use public transport - and it gives you the chance to see the sights.
 - <https://tfl.gov.uk/modes/walking/>

Oyster Card

If you are travelling in London, you will probably need an Oyster Card. You can buy an Oyster Card at Tube, Overground and DLR stations and Tram stops, as well as at Oyster Ticket Stops in hundreds of newsagents and other shops in London.

There are two ways of paying for your Oyster Card:

1. Pay as you go

You put money on your card at a machine in the station or in a Ticket Stop, and every time you swipe your card it takes the money off it. This is the best option if you don't use public transport very much.

2. Travelcard

You pay for unlimited travel for 1 day, 1 week or 1 month. London is split into 9 "fare zones" - Zone 1 is Central London, Zone 2 is the area around Central London etc. For example, if you live in Balham, which is in Zone 3, and want to go to Central London a lot, you should buy a Zone 1 - 3 Travelcard. This is the best option if you use public transport a lot.

Discounted Travel

If you are 18 years or older and studying for 14 weeks or longer, you can get an 18+ Student Oyster Photocard. This will give you 30% off the price of adult-rate travelcards and bus & tram pass season tickets. To apply online, or to find out more information, visit <https://tfl.gov.uk>

If you are 16 or 17, you can get free and discounted travel with a Zip Oyster Photocard. See <https://tfl.gov.uk> for more information.

Please note: your parent or guardian must make this application.

Change of Details

For your own safety, you must come to Reception and tell us if your details change. These include:

- new phone number
- new address
- new passport or visa
- name change
- new medication
- change in emergency contact details

Image source: Canva

Other payment methods for travel

You can also use your own contactless bank card or mobile payment app to pay for transport in London. Just bear in mind that you do not have any discounts and have to pay the full fare if you use these. Find out more about it here:

www.tfl.gov.uk

Remember to use the same payment method when you tap in and out of the stations to avoid paying extra charges!

Student ID cards

Everyone at Burlington School must wear their ID card all the time while they are at school or the residence. This is for everyone's safety. Take good care of your card, card holder and lanyard. If you need a replacement because you have lost or damaged it, you need to pay a £5 fee.

Getting healthcare in the UK

The type of healthcare you are entitled to in the UK depends on how long you will be in the country:

- If your course lasts 6 months or more, you can get full NHS treatment.
- If your course is less than 6 months you should take out private health insurance as you will have to pay NHS charges for most treatments.

If you are entitled to use the NHS, it is a good idea to register with a doctor or a GP (General Practitioner), as we call them in the UK. You will need:

- a letter from the school (ask for this in the school office)
- your passport
- any other immigration documents

Some other important information:

- You should choose a GP that is close to your accommodation. You can find one by visiting <https://www.nhs.uk/Service-Search/GP/LocationSearch/4> and entering your postcode.
- Most doctors' surgeries have female as well as male doctors, and if you prefer, you can ask to be put on a woman doctor's list. If you only want to be seen by a woman doctor, you may need to say so when you make an appointment.
- If you want advice about minor illnesses or injuries, speak to a pharmacist - there are three pharmacies very close to the school.
- If you have a minor illness or injury, visit an NHS Walk-in Centre. There is one at Arches 5-8 Clapham Junction Station (10 minutes from Balham Station). See <https://www.practiceplusjunctionhealthcentre.nhs.uk/> for more information.
- If you (or somebody else) are ill or injured, but your life is not at risk, call 111.
- If you (or somebody else) are very ill or injured, and your life is at risk, call 999.

Dental care

Some dentists give dental treatment on the NHS. However, you might need to pay some charges. If you do not use an NHS dentist, you will have to pay the full price for your treatment. You can find an NHS dentist by visiting <https://www.nhs.uk/Service-Search/Dentists/LocationSearch/3> and entering your postcode.

LIVING IN LONDON AND THE UK

Accommodation

Your accommodation is very important, and we want you to be happy where you are staying. Burlington School offers:

- Homestay accommodation (See Homestay Handbook)
- Onsite residential accommodation (See Onsite Residence Handbook)
- Apartments (Wandsworth Apartment)

Organising your own Accommodation

Many students book their accommodation through the school. However, you may prefer to find somewhere to live independently. We strongly advise you to book accommodation through the school for your first few weeks in the UK as this will give you a chance to look around and find somewhere to live. If you are thinking about finding your own accommodation, please read this advice:

- When you go to see a property, find out the address of the property, and tell someone where and when you are going. If you can, take a friend with you.
 - If you are dealing with an agent, check out the agency online and call their main number to make sure everything is ok.
 - Never transfer money to a landlord, landlady or agent if you haven't seen the property, or if you haven't met the landlord, landlady or agent.
 - If you are looking for a shared house, make sure you meet the other people in the house before you sign a contract.
 - Always ask for a receipt for any money you pay (deposit, rent etc).
 - Before you sign your contract, find out about extra costs - these can include Council Tax, Internet or other bills (electricity, water, gas). Find out if you will need to pay for any of these, or if they are included in your rent.
 - Make sure you get a signed contract for your accommodation (and sign it yourself). If you need help understanding your contract, bring it to the school and speak to the Accommodation Manager.
 - Make sure you have an inventory. An inventory is a list of the furniture and other things in your accommodation. Check it and sign it. It is a good idea to take photos as well. This will help if your landlord, landlady or agent tries to make you pay for any damages.
 - If you are having trouble paying your rent, talk to your landlord, landlady or agent - they may be able to help you.
-
- If you want to look online, these websites are good for finding accommodation: www.booking.com / www.airbnb.co.uk

LIVING IN LONDON AND THE UK

Money

London can be an expensive place to live, so you have to be careful with your money. After accommodation and tuition, you will need to consider the cost of food, bills (if applicable) and social life. Tips for saving money in London:

- Eat at home - don't eat at restaurants or get takeaways
- Ask for student discounts
- Make a budget - and stick to it
- Visit free museums and parks
- Go to free events (see the Social Programme noticeboard for more information)

Opening a bank account

If you are here for a long time, it is a good idea to open a UK bank account. If you want to open an account here, we recommend online bank such as Monzo or Revolut. Ask in the office for more information about opening a bank account.

Getting a UK SIM card

Your phone should work in the UK. However, it can be very expensive to make calls from here. If your phone is not locked to a network, you can get a UK sim card for your phone from the reception.

Staying safe in London

London is a safe place but like any big city, you need to be careful. Here are a few tips to help you stay safe.

Image source: Canva

Crossing the road

Cars drive on the left in the UK, so make sure you look both ways before you cross the road. It is best to use pedestrian crossings. There are two types:

- Zebra Crossings: pedestrians have right of way, but be careful of traffic driving fast.
- Pelican Crossings: push the button and cross the road when you see the green man.

Bicycles

Look out for people on bikes - there are a lot of cyclists in London.

Riding a bike is a good way of travelling around London but make sure you always wear a helmet and lock your bike to avoid it being stolen.

Image source: Canva

Keeping your belongings safe

- Do not leave bags, phones and money unattended.
- Keep an eye on your belongings in public.
- Do not carry a lot of money with you – if you can, use a card.

Image source: Canva

Going out at night

- Try to walk with friends, and not alone.
- If you use a taxi, make sure it has a licence (on the back of the car)

UK Law and Customs

Coming to a new country is quite strange - there are lots of laws and customs that might be different from your country.

Here are a few things you need to know about living in London and the UK.

- You cannot buy alcohol, tobacco or e-cigs until you are 18 years old. Shops and pubs might ask you for ID.
- You cannot smoke in any public buildings, including stations.
- You cannot drink alcohol in most public spaces, including buses and underground trains.
- You cannot have any weapons with you.
- Do not drop rubbish in the street (including cigarette ends) - always use a bin. You may be fined if you are caught dropping rubbish.

London and the UK has people of many nationalities, cultures and ethnicities. It is important that we all respect each other, and it is against school rules (and against the law) to discriminate against people because of their:

- race including colour, nationality, ethnic or national origin
- religion
- sexual orientation or gender identity
- marital status
- age
- disability

Students who are guilty of any of these or any other criminal offences in the UK may be asked to leave the school and/or their accommodation with no refund.

Some other customs we have in this country include:

- standing on the right. On the underground and at stations, stand on the right on escalators. If you want to walk up or down the escalator, walk on the left.
- queuing. It is very important to queue in shops, cafes and other places - do not push in.
- putting toilet paper in the toilet. Discard toilet paper in the toilet - do not put toilet paper in the bin. Put anything else in the bin.

Image source: Canva

Our commitment:

Burlington School is committed to eliminating discrimination and encouraging diversity amongst our staff and students. We want Burlington School to be a place where:

- individual differences and the contributions of all our students, employees, sub-contractors and other representatives are recognised and valued.
- all students, employees, sub-contractors and other representatives are in an environment that promotes dignity and respect to all.
- no form of intimidation, bullying or harassment will be tolerated, whether face to face or indirectly via means such as social media.

Emergency Action Plan

In the unlikely event of a serious incident taking place in London or the UK, the school will contact all students. Students in the school or the onsite residence will be spoken to in person. Students not in the school will be contacted by telephone and/or email. Students under 18 will be prioritised for communication.

The following advice will be given:

- Students in the school should remain in the school pending further advice or instructions
- Students in their accommodation should remain in their accommodation pending further advice or instructions
- Students away from the school or accommodation should follow the advice of the emergency services, which the school will pass on to them
- Students should contact family at once to reassure them of their safety
- Mobile networks may be temporarily disabled during serious incidents. You will still be able to contact the school by landline or email.
- The school will send out a statement to parents, agents and others outlining our policies and procedures.
- An email is also sent out to all staff (in addition to any verbal communication) outlining what the school has done, and what it will continue to do.
- During activities, a text message/WhatsApp message is sent out to all students and staff on the activity to tell them what they should do.
- If in doubt, or if you are in any danger, follow the police advice of **Run, Hide, Tell**.

IN THE RARE EVENT OF a firearms or weapons attack

RUN - to a place of safety. This is a better option than to surrender or negotiate. If there's nowhere to go, then...

HIDE - Remember to turn your phone to silent and turn off vibrate. Barricade yourself in if you can.

TELL - the police by calling 999 when it is safe to do so.
