

British Weather

Britain is famous for its weather. It doesn't rain as much as people think it does, but it's always safe to have an umbrella.

The average temperatures in every month in London are:

-  Usual High Temperature
-  Usual Low Temperature
-  Average Temperature

	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
High °C	6	7	10	13	17	20	22	21	19	14	10	7
Low °C	3	3	4	6	9	12	14	14	12	9	6	3
Ave °C	5	7	9	11	14	16	19	19	17	13	10	7

You should bring clothes that are good for the time of year. And remember comfortable shoes - you will probably do a lot of walking in London.
