

Things to do in London

There are a lot of things to do in London - and not just the famous tourist attractions.

While you are here, try and see as much of the city as you can.

Museums

Most of the big museums in London are free to enter, and you can get discounted tickets for some of the others from Reception.

Parks

Although more than 8,000,000 people live in London, nearly half the space is green - from the Royal Parks to woods and wildlife sanctuaries, it's easy to get away from the noise and relax.

Shops

From world-famous department stores like Harrods and Fortnum and Mason, to the boutiques and designers of Carnaby Street and Camden, London has shops for everybody

Cultures from around the world

There are people of over 270 nationalities living in London, so it's a great chance to find out about the different cultures - and to try their food. Try the Arabic food on Edgware Road, curries on Brick Lane, or street food at Borough Market - there is something for every taste.
